

Community Resistance  
on the  
US/Mexico Border  
A FILM

# Undeterred

Recovered Human Remains in Arizona, January 1, 2001 - September 30, 2017

U.S. border policy  
uses death as a  
deterrent to  
migration. Those  
who live on the  
border, and those  
who cross it,  
remain **undeterred**.
